Appendix D: Biosecurity Requirements

TIPS TO PROTECT YOUR HORSE AWAY FROM HOME

BIOSECURITY REQUIREMENTS FOR ALL COMPETITORS

- Stall Labels must be completed for each horse, including the horse name and 24-hour emergency contact information, and placed on the horse's stall door.
- You must check your horse's temperature twice a day and record it on the Horse Temperature Chart. A normal horse temperature is between 37.2 – 38.3° C. **Any temperature over 38.8° C (102° F) must be reported to the horse show office and/or horse show veterinarian.**
- Do not share feed/water containers or buckets between horses and do not use communal water troughs. While filling a bucket, do not let the hose end touch the bucket or the water in a bucket.
- Sharing tack and equipment puts horses at risk and is not recommended. If tack/equipment must be used by multiple horses, be sure to clean/disinfect it between uses by different horses.
- Observe good hygiene around all horses on the grounds, and especially after handling a teammate's horse prior to touching your horse.
- Wash hands immediately with soap and water, or use disinfectant hand solution after handling horses, especially after contact with the mouth, nose or feces.
- Hand sanitizers are available. Please use them and indicate the importance of their use to your friends, family and casual visitors.
- All stalls have been cleaned of all manure and bedding, and disinfected. Feel free to sanitize your assigned stall prior to bringing your horse in.
- Do not allow nose-to-nose contact between horses.
- Do not permit your horse to lick or sniff surfaces in common areas. If this does occur, please use a disinfectant wipe on the area.
- If sharing a wheelbarrow, please do not bring it into your horse's stall. Leave it in the aisle.
- Please dispose of manure in designated areas only. Do not put trash in manure pile.
- If your horse develops a fever or signs of illness, contact the show veterinarian or steward immediately.
- Following the competition, it is recommended that all horses be isolated at their home facility for 21 days prior to reintroduction to other horses. If this is not possible, be sure to observe all horses carefully for 21 days.
- Following the competition, all horses should have temperatures taken twice a day for four days, and be observed for abnormal behavior and signs of cough, nasal discharge, discomfort or lameness.

If you have any questions or concerns, please contact the Competition Organizer directly. They are available to assist you with any biosecurity concerns during the competition.

EC SPORT LICENSING 2026

SAFETY, INCLUSIVITY, & EXCELLENCE

Your guide to the latest updates for the competition season in Canada

IMPORTANT CHANGES have been implemented to enhance the safety and inclusivity of equestrian sport. Whether you're an athlete, parent, coach, official, or competition staff, your role is crucial in upholding these standards. Here's what you need to know:

SAFE SPORT TRAINING PREREQUISITE:

- The two free EC Safe Sport training modules must be completed before purchasing a Sport Licence. Check your training status on MyEC by clicking on the ECampus button.

DISCONTINUED TEMPORARY LICENCES AND TEMPORARY HORSE REGISTRATIONS:

- Temporary EC Sport Licences are now discontinued at competitions. All riders, owners, and coaches must possess an EC Sport Licence to participate in events. All horses must have a Horse Recording where level and division require.

AVAILABLE SHOW LEVEL UPGRADES:

- Explore higher-level competitions with temporary upgrades via your MyEC Portal. Note: National Rankings Points are not tabulated for upgraded results.

COACH STATUS REMINDER—2026 SEASON

- Coaches attending EC-Sanctioned competition must hold a valid Licensed Coach Status. Any Coach with Registered Coach Status must purchase a Single Event Upgrade for \$55.00. This purchase can be made through the My EC account.
- Coaches without a valid Licensed Coach Status or Registered Coach Status with Single Event Upgrade Status are not eligible to be represented as a coach at EC-Sanctioned events and may be subject to fines. Please complete your requirements in advance to avoid any fines and delays.

DECLARE YOURSELF A SELF-COACHED ATHLETE

- Athletes without a coach on-site can declare themselves as self-coached by entering their own **EC SPORT LICENSE NUMBER** or enter "self-coached" in the **COACH FIELD** on their registration/entry form.
- Please note: Coaches that **DO NOT ATTEND** the events **SHOULD NOT BE LISTED** on the entry form.

“ When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self-coached. Coaches from other countries, must be in good-standing with their home federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments. ”
